James Sinclair

MS 183-601, Jet Propulsion Laboratory
4800 Oak Grove Dr, Pasadena, CA 91109
Tel: (818) 354-4853
E-mail: james.sinclair@jpl.nasa.gov

Professional Experience

2015 - Present	*NASA Postdoctoral Fellow*, Jet Propulsion Laboratory
2014 - 2015	*Postdoctoral Research Assistant*, Atmospheric, Oceanic & Planetary Physics, University of Oxford
2009	*Summer Intership Research Student*, UK Met Office, Exeter

Education

2010 - 2014	University of Oxford, DPhil Atmospheric, Oceanic & Planetary Physics
2006 - 2010	University of St. Andrews, MPhys Astrophysics, 1st class.

Publications

- Fletcher, L. N., Irwin, P. G. J., **Sinclair, J. A.**, Orton, G. S., Giles, R. S., Hurley, J., Gorius, N., Achterberg, R. K., Hesman, B. E., Bjoraker, G. L., 2014, Seasonal Evolution of Saturn's Polar Temperatures and Composition, *Icarus* 250, 131-152.
